

Watify Matchmaking event

Zagreb, 5th April 2017

Watify
Connecting to boost
technological transformation

When? 5 April 2017, 9:00 - 17:00

Where? Zagreb Chamber of Commerce, Ilica 49, Zagreb, Croatia

Development Agency Zagreb and WATIFY, an initiative funded by the European Commission to support the modernisation of Europe's industries, is pleased to invite you to an inter-regional matchmaking event on Biotechnologies and Healthcare, which will take place in Zagreb, Croatia, on 5 April 2017.

Join us in helping to strengthen inter-regional cooperation between public and private stakeholders and to promote joint initiatives and joint demonstration projects in biotechnologies and healthcare.

To find out more about the event, including the agenda, participants and venue, please visit the [event website](#).

Register for the **Watify inter-regional matchmaking event – Biotechnologies & Healthcare** [here](#).

It is free to attend the event, but there are a **limited number of places**. Participation will be on a 'first come, first served' basis. We strongly encourage you to register as soon as possible.

REGISTER NOW

Who should participate?

- Research & Technology Organisations
- Regional Development Agencies
- Business intermediaries
- Businesses (especially SMEs and mid-caps)
- Industry associations/representatives
- Clusters

Why participate?

- Benefit from personalised and pre-arranged bilateral meetings
- Connect with new technological/research/financing/commercial partners
- Get informed on the opportunities and challenges of biotechnologies in healthcare
- Get an opportunity to **pitch projects or initiatives** in biotech and healthcare
- Initiate cross-border contacts, and explore potential opportunities for cooperation
- Work towards the exploitation of synergies in cross-border value chains

We hope to see you in Zagreb!
